September 2015

Dear Parents of Special Education Students,

You may have recently received an envelope in the mail labeled “**Important Parent Information from the CT State Department of Education.**” This envelope contains the 2014-2015 Connecticut Special Education Parent Survey from the Connecticut State Department of Education. This year 56 school districts will be surveyed and Newtown will be surveyed again in 2017-18. The Information collected from this statewide survey will be used to monitor parent engagement as a way to improve services and results for Connecticut students with disabilities.

This survey should only take 10-15 minutes to complete and as you may have read there is also an option to complete this survey online. If you need any assistance completing the survey, please contact the Connecticut Parent Advocacy Center (CPAC) at 1.800.445.CPAC or by e-mail at [cpac@cpacinc.org](mailto:cpac@cpacinc.org). All CPAC services are free for parents and all information is kept confidential.

Finally, thank you in advance for your participation.

Regards,

Julie G. Haggard
