## LEARNING ESPAÑOL—FOR STUDENTS EXITING K-3

Calling all parents of exiting Kindergarteners, First Graders, Second Graders and Third Graders!!! Do you want your child to continue with their Spanish over the summer? Does a sibling want in on the fun? Sign them up for Español with Señora Mariana who will combine fun with learning so they can keep current with their language skills!

Teaching Spanish in an “immersion” situation involves mainly speaking, repeating, listening, and learning interactive singing and dancing to better absorb the acquiring language. We will read books, watch instructional videos, learn dance steps coordinated with song lyrics from traditional Hispanic music as well as translated versions of American/English favorites (for example, Twinkle, Twinkle Little Star and Happy Birthday). We will also explore cultural traditions, food/drink, flags from Spanish-speaking countries, how people work and live and go to school, from Europe to Latin America and the Caribbean.

Have your children join us for a classroom adventure to the faraway lands from Spain and Mallorca to Mexico and Colombia. Your child will discover a wealth of activities as they learn new vocabulary, treat themselves to yummy goodies (nut-free) and dance and sing and be on their way to absorbing a whole new language and culture!
