### COMPETITIVE TOURNAMENT CHESS—FOR STUDENTS EXITING GRADES 3 AND UP

This camp is intended for the serious chess student who either has previously played in or intends to play, in the near future, in a competitive chess tournament. Instruction will consist of a brief review of the thinking process and a discussion of the need for and ways to prepare for tournament play. Two days will be dedicated to a formal chess tournament (can be US Chess Federation-rated, if sufficient interest) followed by a critical review of students’ games. Intended only for those students who either have recently participated in a scholastic chess program, or played in a US Chess Federation-rated tournament, or who have advance approval from the instructor. All chess equipment will be provided.

**Limited to 16 students. July 17-21, 2017 8:00 AM to 11:00 AM Fee \$120**
